

Saint Joseph High School

St. Joseph Academic Scholarship

As a Catholic school, Saint Joseph High School exists because of the conviction that an education enlightened by the wisdom of Christian revelation can be fuller, richer and more humane than any other kind of education. Placing strong emphasis on the development of the human mind and the intellectual values of all education, Saint Joseph High School dedicates itself to preparing young men and women to be tomorrow's leaders.

In keeping with the tradition of quality education, the Saint Joseph Academic Scholarship was created to attract students of high academic achievement by offering an academic scholarship to an incoming freshman student from a Catholic grade school. Alumni and friends of Saint Joseph High School fund the scholarship.

Based purely on academic performance, a complete application and a final interview, the scholarship will be a financial award between \$500 and \$2000 toward the student's 2018-2019 tuition at Saint Joseph High School.

The scholarship can be renewable for the subsequent three years provided the student maintains a minimum QPA of 3.5 and demonstrates behavior consistent with Saint Joseph High School philosophy and policy.

This prestigious academic scholarship is awarded based upon demonstrated academic achievement substantiated by QPA, the SJHS Placement Test score and is supplemented by an essay. Finalists will be selected to participate in an interview by the selection committee.

Interested students should complete the scholarship application form and write the required essay. The student must also submit his/her 7th and 8th grade transcript from his/her elementary school by January 15.
