If your child will buy a lunch and/or breakfast on most days, we are asking parents to try and prepay as much as possible. In order to avoid students carrying around a lot of money throughout the day. ALL lunch payments need to be in an envelope marked cafeteria and CLEARLY labeled with the name of student(s). Make checks payable to OLMBSS Cafeteria. Payments can be sent directly to the school office or sent to school with the students at your discretion. Thank you in advance for your cooperation and understanding.
