Other happenings during Catholic Schools Week:

Service Project: Monday January 28 through Friday, February 1st our SJHS school community is encouraging participation in "Collecting Warm Clothing for The Community Clothes Closet". All forms of new or gently used clothing, including bedding and shoes are welcome. There is a special need for adult men's clothing. All items can be placed in marked boxes in the Sci/Tech lobby all week.

Reflection: Mrs. Morrone has organized a collaborative student art project. Students are encouraged to write "What they love about SJHS?" on various parts of the large paper cross design. When completed, Mrs. Morrone will watercolor over each written piece to give the image a stained glass effect. The final project will be on display in the Commons.

To continue and grow in a deeper relationship with Christ, Pope Francis' Tweets can be viewed on the screens located throughout the school. Mr. Pater and Mrs. Brown will be sharing messages from World Youth Day with their classes. Students will receive one of two types of religious medals that Mrs. Kaniecki had blessed in recent years on her visits to Rome by our Holy Fathers in addition to a prayer card with a quote from Pope Emeritus Benedict XVI.
