

2019-2020 Memorandum Letter from  
Principal

Dear Parents and Guardians of Students Enrolled for the 2019-20 School year,

Thank you for enrolling your child(ren) at Saint Joseph High School for the 2019-20 school year. We are pleased that you will be an important part of our parish and school community throughout the school year.

As we start the new school year, I am writing to remind you of the primary reason for our very existence as a Catholic school in the Diocese of Pittsburgh. As a Catholic school, our primary purpose is to form students in the values of Jesus Christ and the teaching of the Catholic Church. While we maintain an outstanding academic program and a number of extra-curricular and athletic activities, we have the responsibility to make certain that Catholic values and moral integrity permeate every facet of our school's programs. In full partnership with you and your family, we are committed to uphold these principles, which underlie our presence in the community as a Catholic school.

Along with this reminder about the primary purpose of our school, I am enclosing the Memorandum of Understanding for you to complete for your child(ren) enrolled in our school. You are required to complete and sign one form per family and return it as soon as possible. This is necessary for the registration process to be completed.

Saint Joseph High School participates in several Federal programs that provide your children with a variety of materials and services. It is one of the few ways in which your children receive benefits from your tax dollars. We certainly do not want to lose these benefits. Please complete the enclosed Family survey and Language survey. This information is very important in order for us to continue receiving support from these programs. It is required before we can receive Federal dollars. All information will be kept confidential.

**It is important that we receive a survey back from every school family.**

Don't hesitate to call if you have any questions about the survey.

Again, thank you for enrolling your child(ren) at Saint Joseph High School and for giving us the opportunity to help you educate your child(ren) spiritually, academically, emotionally, and physically.

Sincerely,
