Certificate of Individual Request for Loan of Textbooks and Instruction Materials

State Law (Act 195) authorizes the loan of textbooks by the Secretary of Education to students enrolled in nonpublic schools and (Act 90) authorizes the loan of instructional materials. Saint Joseph High School participates in this loan program. The law requires, however, that a parent/guardian of each student attending the nonpublic school individually request a loan of textbooks and instructional materials. Thank you for your continued assistance and cooperation.

I hereby request the loan of textbooks and instructional materials in accordance with Pennsylvania Act 195 and Act 90 for my child/ren attending Saint Joseph High School.
